GOD'S COMPASSION

- Jesus had compassion on the multitudes; he saw people who were lost and wandering aimlessly. **Matthew 9:35-38**

GOD'S GRACE

- When you were unsaved God had mercy and compassion for you. **John 3:16-17; Romans 5:7-11**
- God still has mercy and compassion after salvation. **I John 1:9**
- God's grace has been given to you. **Ephesians 2:8-10; Hebrews 4:14-16**
- Do you frustrate the grace of God by continually pushing the limit of God's grace? **Romans 6:1-23**
- How long will God continue forgiving and extending his grace to you? **Hebrews 10:26-31**
- Esau made one bad decision, it cost him the following: **Hebrews 12:14-17**
 - Being a ruler over his family.
 - Offering sacrifice and conducting worship as head of the family.
 - A double portion of all his father's possessions.
 - The right of conveying special blessings and privileges.
 - Being in the bloodline of Jesus.

LIVING UNDER GOD'S GRACE

- Do you find yourself living under God's grace and wondering why so much grace is extended to you but not to others?
- What does God want you to accomplish here on earth?
- Are you walking around in a hit-or-miss fashion and straying from the path God has put before you? **Psalms 119:97-112**
- Find the path God has for you and stick to it!
