JOHN S. TORELL

DECEMBER 12, 2004

For over 38 years I have read many times what Paul wrote in Galatians chapter six, verses seven thru ten. Most of the time I used this piece of scripture in a negative teaching on what would happen to a person who is living a bad life. What you are going to read and hear is what the Holy Spirit gave me as I was praying and seeking the Lord regarding what he wanted me to preach on this week.

IN DUE SEASON...

These are powerful words; there is a reaping for the believer in Christ, who will not faint! **Galatians 6:7-10**

CAST NOT AWAY YOUR CONFIDENCE...

- More powerful words from the Bible. **Hebrews 10:32-39**
- In Greek, verse 36 reads this way: “For you have need of endurance, so that you may do the will of God and receive what is promised.”
- Without **endurance** the believer in Christ cannot do the will of God! Endurance cannot exist without faith and faith is the driving force in the kingdom of God! Faith is a gift from God through the Holy Spirit! **Hebrews 11:1-3**
- The believer in Christ must accept the gift of faith and in faith thank God for the gift! Hebrews 11:6**
- God is building endurance for eternal living! **Hebrews 11:12-16**

Verse 4: Abel

Verse 5: Enoch

Verse 7: Noah

Verses 8-10: Abraham

Verse 11: Sarah

If God wanted the believers in Christ to have an easy life with no obstacles, He could have designed it so that life was a “cakewalk”; but then there would be no need of faith, no character building, no strength to come forth in the life of each believer. When Christian’s struggle through life’s challenges, it is then that strength, faith, and character are built. Should a Christian fail to hang on, they will be pushed to the side and left behind. **James 1:1-12**

God does not lead a person into sin. When we sin, it is our choice alone, and has nothing to do with struggle! **James 1:13-16**

HOW WILL YOUR OBITUARY READ?

- Look at the following obituaries: **Hebrews 11:17-40**
- Let us run a race that will bring glory to God! **Hebrews 12:1-2**

Do you have an ear to hear with?
