WORKING THE WORKS OF GOD

When Jesus walked here on earth in a human body, He released information that one day there would come a time when no man could work the works of God. This truth is very seldom brought to the attention of Christians by pastors, teachers, prophets and evangelists. **John 9:1-5**

SATAN VERSUS GOD

Looking at events from the perspective of the Devil and his followers, the kingdom of God has not been doing too well on this earth:

- Adam and Eve choose the Devil over God. **Genesis 3:1-6**
- Out of the approximate two million adults that came out of Egypt, only two (Joshua and Caleb) were allowed to enter the Promised Land. **Numbers 14:20-34; Deuteronomy 31:22-23, 34:1-5**
- The children of Israel could not keep the Promised Land, and the ten northern tribes were taken into captivity first, followed by Judah and Benjamin. **II Kings 17:1-18, 25:1-26**
- Some 30,000 Jewish men and women followed Jesus, but only 120 remained with Jesus on the day of Pentecost. **John 6:66-71; Acts 1:15**
- It only took some 200 years for the Devil to corrupt the church of Jesus Christ, and keep it corrupt for more than 1,100 years. God used Martin Luther in the Reformation to restore the truth of the Gospel, but even that great work has almost been destroyed by the Devil.

THE BATTLE OVER SOULS IS FIERCE

- God has stated in his Word, that only a remnant from generation to generation will be saved! **This is a hard truth to accept! Isaiah 10:20-23; Matthew 7:13-14**
- In the past, God has raised up a standard against evil. **Isaiah 59:11-21**
- In the end, even God's protection will be removed; the remnant will be reduced to a trickle, and finally, it will cease to exist. **II Thessalonians 2:1-12**
- Jesus warned us about the coming deception. **Matthew 24:20-24**
- The sign of God abandoning people is unbelief! **Romans 1:21-32; II Timothy 3:1-7**
- If you can sin and be comfortable with it, the Holy Spirit has withdrawn and you have been given over to a reprobate mind!*

Do you have an ear to hear with?
