PART 3: HOW TO HAVE THE VICTORY

HOW TO HAVE THE VICTORY

- The first thing to remember is that no one is immune to temptation; everyone has a point at which they will give in to temptation, and so if the temptation is strong enough, we will all succumb to it. **1 Corinthians 10:12-13**
- If you cannot be honest with yourself, you won't be honest with God or those around you. **1 John 1:5-10**
- We must declare total spiritual bankruptcy and depend only on God's righteousness; this is the only thing that will keep us from falling. **Jude 20-25**
- We must constantly test our fruit. **Matthew 7:12-20**

HAVING THE VICTORY

When driving a car, you must watch the instrument panel for the following:

- Good oil pressure so your engine is lubricated.
- Proper water temperature so that you're not overheating.
- Making sure your battery is being charged by the alternator.
- Enough fuel to make it to where you need to go.
- Checking the speedometer to see how fast you are traveling.

And just like watching the instrument panel on the car when driving it, it is equally important to watch your spiritual gauges:

- What kind of spiritual atmosphere is around you? **James 3:14-16**
- What kind of fruit is being produced? **Galatians 5:15-26**
- Do you have joy in the Lord? **Philippians 4:4-8**
- Is the love of God present in your life? **1 Corinthians 13:1-7**

Watch your spiritual instrument panel and make the proper corrections, so that you will not be defeated! **James 4:1-11**

Do you have an ear to hear with?
