MAKE YOUR REQUESTS WITH THANKSGIVING

JOHN S. TORELL

NOVEMBER 19, 2006

The Bible teaches us that God has feelings and will mete out punishment when we hurt His feelings and God sees no repentance. **Hebrews 3:7-19**

Disobedience, Unbelief and Unthankfulness not only irritate God but they make Him angry!

DISOBEDIENCE

- Adam and Eve were removed from the Garden of Eden. **Genesis 3:16-24**
- God rejected Cain's sacrifice. **Genesis 4:1-5**
- Only Noah and his family escaped the wrath of God. **Genesis 6:1-8**
- King Saul lost his kingdom. **1 Samuel 15:22-29**

UNBELIEF

- God used ten mighty miracles and the parting of the Red Sea to bring the children of Israel out of Egypt. Instead of rejoicing, praising God and having faith in God, they despised God's servants and with their actions showed total disrespect for God and His ability to lead them into the Promised Land. **Numbers 13:25-33, 14:1-10**
- The fury of God was lit as He pronounced swift judgment on the people. **Numbers 14:11-35**
- Even if they wanted, the people could not change their minds, it was too late. **Numbers 14:39-45**

UNTHANKFULNESS

- A child of God cannot be thankful and live in disobedience and unbelief at the same time. **Daniel 6:10-28**
- Most people living on this earth are unthankful and are therefore cursed by God. **Romans 1:18-32**
- When people are given a gift or a raise in salary, instead of being thankful, many show resentment toward the giver and want more. Jesus gave a strong teaching on this subject. **Matthew 20:1-16**
- Unthankfulness is going to be a sign of the last days. **2 Timothy 3:1-5**

HOW SHOULD A CHRISTIAN LIVE?

1. Walk daily in obedience. **John 14:15**
2. Proclaim faith in God. **Mark 11: 20-26**

3. Open your mouth and praise the Lord *all the time!* **1 Chronicles 16:7-36**

Thanksgiving is not just a day that happens each year but something that should be with us throughout the year in good times and bad. It doesn't matter if we are happy, rich and healthy or sad, poor and sick or some combination of the two, we should be praising God! *When we praise God, we make Him happy; when God is happy, He will make us happy and move on our behalf on this earth!* **Praise the Lord! Psalm 150:1-6**
