HOW TO CONDUCT SPIRITUAL WARFARE

PART 8B: TAKING CONTROL IN THE SPIRIT WORLD

As I am teaching on spiritual warfare, it has become apparent that many nominal Christians are totally opposed to it. This should not come as a surprise, since these people are infested with demons, which control their thoughts and have given them a warped belief system. **1 Corinthians 2:9-16**

Let me share an excerpt from a letter sent to our ministry:

“I may have misunderstood some aspects of the deliverance process, **but I have been unable (or unwilling)**, despite having prayed to be able to submit my will to God, to do what it seems to ask of me. My life, although it has had its sadness, has prepared me for where I am today, and I am not sorry that I have loved anyone whom I have loved, thought any thought or sincerely shared that thought with anyone else, and so on. For me, it seems to be true that there is more room in a broken heart, and I will continue to strive to keep my heart open, even if it means that I will suffer and bleed. God has graced me with many blessings. I count my open heart and (relative) fearlessness in the face of work, challenge and potential pain as one of the greatest blessings He has given me. **Not to use that strength, but to withdraw and look for an easier path, would be, for me, a sin.**

It seems to me that the task that faces us boomers, and our younger brothers and sisters, individually and collectively, **is that of healing the schisms that plague our planet. Earth has shrunken to the point where, if we do not create the Kingdom here, and quickly, I believe that Creation will perish.** The images that John employs (and I recognize that I do not know him well, and perhaps his repertoire is wider than I saw) of trench warfare, God and His church vs. Satan and his minions do little to inspire me to loving action in the world. **I don't think it is helpful for people who serve God to separate themselves from evil. The way through is to face the darkness in ourselves and others with compassion and heal it.”**

GENERAL BELIEF SYSTEM

The general belief system among unsaved people as well as nominal Christians is as follows:

1. To be open and loving is to share bodies (sexual intercourse) the first time two people meet.
2. Even if two people have no plans for marriage, there is nothing wrong with living together and having regular sex just like a married couple. If pregnancy

occurs, abortion is a viable option, since the woman has the right to do whatever she wants with her body.

3. Being open-minded means not taking the Bible literally, it is just a guide to be used with the teachings Buddhism, Hinduism and other religious writings by the human race.
4. Living a holy life according to the Bible is narrow-minded; there is no hell or a final judgment by God. Saving the planet earth from pollution and global warming is the right thing to do.
5. There is no such thing as sin; live and let live is their motto. This kind of philosophy is not new, but is as old as Satan himself, and packaged in different presentations from century to century. **2 Peter 2:9-22**

The Apostle Paul told how we should act in a world that is full of sin and compromise. **2 Timothy 4:1-5**

It is therefore important to understand that there will be fierce opposition to a Christian who lives a holy life and resists the Devil. **1 Peter 5:6-11**

HOW I CONDUCT MY DAILY SPIRITUAL WARFARE – PART 2

My next target group is a mixture of people who I am interlocked with either through the church or people I know. I lift those who are walking with God up to Him and ask for further growth, health for their bodies, an increase in their thirst for righteousness and a deeper walk with the Lord.

Then I target the backsliders; this is a list of names which I have been praying for a long time. First I pray that today will be the day of judgment for them, that they will no longer be able to drag the name of Jesus in the mud, and regardless what it will take, each backslider shall be brought into compliance with the Word of God. If they have come to the place of a total reprobate mind, I pray that God quickly will remove them from the planet earth.

Next I move to all the people our ministry has taken through deliverance that are still living on the earth. My prayer is that each person will be conformed to the image of God, that they will not be wasted and that they will be victorious in this life. Then there are some “nasty” people who have turned away from the Lord, rejected their deliverance and created their own “theology,” and my prayer for them is that God will deal with them swiftly and severely, doing whatever it takes to destroy their rebellion. I believe that my prayers are putting “burning coals” upon these people and in due time, their pain and misery will be so great, that they will in pure desperation turn back to God.

Now it is time to deal with the Devil and his fallen angels. This is how I pray: *“In the name of Jesus I decree now that the Devil, his fallen angels and all other entities in the Kingdom of Satan shall now be bound and hog-tied in space, in the air, on the earth, under the earth and in the sea and all of them will be unable to do any damage for the next 24 hours against this ministry and all future ministries God will give me, myself, my wife, my family, the properties my wife and I own,*

our vehicles, and all other things that we own.” Then I thank God for putting walls of fire around our ministry and properties and shields of fire around the people.

My next targets are the following satanic archons, Gog and Magog (rulers over the area that once was called the Soviet Union), every satanic archon over every nation in the Middle East, the satanic archons over China, India, Pakistan and North Korea. In the name of Jesus, I ask God to fully restrict them and that they will only be able to do what is necessary to fulfill prophecy spoken by God. This applies to these archons and their entire chain of command.

I then ask God to bring relief to all the believers in Christ living in aforementioned nations or regions, that every prison door will be opened for every believer in Christ who is imprisoned for their faith in Christ on false charges. I also ask God to destroy all slave labor camps and that every tormentor of Christians will be seized, paralyzed and thrown to the ground, where they will be tormented by God’s holy angels until it has been established in the Kingdom of God that these tormentors never again will hurt another human being. This segment is then closed with prayer that God will save millions of unsaved people in these nations and regions before Jesus comes back.

Over the years I have compiled a list over satanic archons and their chains of command, which I bind every day. The most visible are the following:

The archon Minerva (the demon ruler over California), the satanic archon over the Vatican in Rome, the satanic archon over South Africa, the satanic ruler over all Jezebel spirits, plus a host of others, that I decree will be seized, chained, blinded, made deaf and dumb and kept at the bottom of the deepest canyon in the Atlantic ocean for another 24 hours. I then thank God for releasing holy angels to carry this out and for holy angels to occupy the positions in the air, where these satanic beings have previously ruled. I then thank God for sending salvation and healing to the people living in these areas on the earth.

Next I attack the chain of command in the Kingdom of Satan. I decree that the chain of command will again be broken in the Kingdom of Satan, he will be unable to replace the satanic/demonic forces I have taken out, there will be nothing but confusion in Satan’s kingdom and that satanic/demonic entities will continue a satanic/demonic world war, when different factions in the kingdom of Satan are fighting a civil war, doing great damage in the demonic world.

I now turn my spiritual guns on all satanic/demonic structures over certain areas God has shown me, and I decree that these structures, stationary, mobile and UFO’s shall be removed or destroyed for the next 24 hours. I then thank the Lord for releasing full power and authority to the Holy Watchers and other holy angels to carry out this assignment and clear the skies for the next 24 hours. Now it is time to thank God for an open heaven, salvation, healing and deliverance for people living in these areas.

The next phase of my daily prayer now deals with requests from God and I will share them with you in my next sermon. **James 5:13-18**
