JESUS OR THE ANTICHRIST?

PART 7: THE END OF THIS CREATION

THE GREAT WHITE THRONE JUDGMENT

The Devil is not going to be judged at the Great White Throne because he and the fallen angels had their trial before Adam and Eve were created. **Matthew 25:41**

The time has come for the Devil and his fallen angels, the moment they have been dreading when they are chained inside the Lake of Fire and begin their eternal torment. **Revelation 20:10**

A GENERAL RESURRECTION

There is then a general resurrection of all unsaved people from the time of Adam and Eve to the last person who died in the last war. These unsaved people will receive an eternal body of shame that will never age or wear out and will be able to withstand the heat in the Lake of Fire without being destroyed. But it will be a body with an elaborate sensor system that registers the awful pain from the torment in the Lake of Fire. **Isaiah 66:24; Daniel 12:2; Matthew 26:46; John 5:25-29**

At this judgment seat will also be all people born during the 1,000 years kingdom that accepted Jesus as their Messiah and were born again.

THE JUDGMENT BEGINS

It is obvious that these court proceedings are going to take a long time since each unsaved person will be judged individually for what they did or did not do while they lived on the earth. The entire human race will be assembled with all of God's holy angels to witness the righteousness of God as each individual must take responsibility for their actions on earth. Here is what God told Daniel. **Daniel 12:13**

The event will take place in front of a giant white throne with the unsaved people standing in front of it while God's holy angels and the resurrected believers in Christ sit in some kind of stands; each person who is being judged will be projected on giant screens for everyone to see and hear. **Daniel 7:9-14**

Also standing among the unsaved people will be all people who were born again during the 1,000 years kingdom.

I believe that there will be a video of each person for everyone to see that will also include thoughts and motives. Once the video is shown, Jesus will hand out His judgment.

Every unsaved person will be sentenced to spend eternity in the Lake of Fire but there will be different degrees of punishment. Those who have done much evil will receive a much harsher torment. Romans 2:12

Since all the people attending this judgment proceeding have received their eternal resurrected bodies, time won't be of essence and no one will notice how long this process will take.

Nothing will remain hidden as every murder mystery will be revealed and all conspiracies will become known; all secrets of men will be made open for all to see and hear. We will watch the murder of Abel by Cain; we will see what went on before the flood when fallen angels had sex with women.

For the people from America, we will find out who really murdered President Kennedy and who was behind the murder of Martin Luther King. The people from Sweden will find out who murdered Ivar Kruger, Raul Wallenberg and the agents that sank the ferry Estonia. The people from Germany will find out who financed and backed Adolf Hitler while the people from Russia will learn the truth about the atrocities committed by the Communist butchers. This will be millions of hours of drama, soap opera, pain and grief, as we will all see the combined sin of humanity. **Revelation 20:12-13**

THE LAKE OF FIRE

The Lake of Fire is a contained place that was created by God for the Devil and his fallen angels. **Matthew 25:41**

The entire creation is going to be dissolved but the Lake of Fire will be preserved. We know God lives in a different dimension that has nothing to do with the universe He created. The Lake of Fire has been placed somewhere out of sight and where no one has access to it. The Bible does not tell us if it will be run by God's holy angels or if it will be an automatic prison where all things will be set to function without angel supervision. ***But there is one thing that is clear, the Lake of Fire will never cease to exist and no one will ever be able to escape from it. There will be no parole, once a person has been cast into this prison, they will be there forever!***

Hell is God's jail and it will be thrown into the Lake of Fire along with death. The Lake of Fire is the final destination for sin and the final solution to all rebellion against God. It is an eternal payment that the Devil, the fallen angels and all unsaved people must pay for their rebellion! **Revelation 20:14-15**

THE NEW CREATION

Since God knew before the creation of our universe that there would be rebellion and sin, He had decided to destroy the universe and start over once the rebellion had been put down, sin had been dealt with and all perpetrators had been judged and sent to their eternal punishment. **Revelation 21:1**

The apostle Peter was given this information some 30 years prior to the the Book of Revelation and it is interesting to note that Peter spoke of the elements (atoms) being dissolved and ceasing to exist. **2 Peter 3:10-13**

In his letter to the Hebrews, the apostle Paul stated that the entire universe is upheld by the power of Jesus. **Hebrews 1:1-3**

Paul didn't have the knowledge of atoms and how they are made up but so far no scientists have been able to explain how an atom consisting of more than one proton (positive charge) can exist; in the case of magnets, two positive poles will repel each other but the atoms are stable.

There is a supernatural force holding every atom together in this vast universe, and that power is being projected from Jesus himself. Once he turns that power off, every atom will dissolve and return into energy.

How do I know this? There is a physical law of God which states that energy is indestructible and cannot cease to exist. Here is how I have understood the creation, which is made up of atoms: **Each atom is made up of energy, which has been converted into a solid state of existence.**

Before the universe is dissolved, the Lake of Fire has been placed into its own holding pattern and the angels and believers in Christ have been removed to the third heaven outside the universe. **2 Corinthians 12:1-5**

We aren't told how long this will take but time won't matter anymore with our eternal bodies.

A PERSONAL REVELATION

During the week that I prepared this message, I was woken up one night and the Holy Spirit showed me the following:

God has only allowed the human race to reach a certain technical level. All engines existing on earth today are rotating engines with the exception of chemical rocket engines.

The energy used in running these engines is electricity, gasoline, and diesel. Nuclear power is used in ships, where it is used to heat up water into superheated steam that powers turbines.

Hydro power, nuclear power, natural gas and coal are used to created electricity in electrical power plants and the electricity is used to power our cities and factories.

Scientists are aware of energy that can propel vehicles on land, sea, air, and space but the technology to develop it is not there. The earth is a giant electrically charged globe with strong magnetic fields. Gravity is a force that could be used if we only knew how to reverse it. The entire universe is held together by strong gravitational and electro-magnetic fields, thus it is possible to use these fields for a traveling vehicle.

It is obvious that God's angels have a transportation system that is far superior to ours but that technology has not been given to mankind and never will be. When the war raged in the universe it ended with the defeat for Lucifer and his fallen angels. They were captured, sentenced to the Lake of Fire and while they are waiting for their appeal to be processed, they were confined to the planet earth.

Sin does not exist anywhere else in the universe except what has been quarantined on the earth. If mankind had the technology to travel around in the universe, they would spread the sin, since all human beings are infected by this disease. Revelation 12:7-12

As astronomers have been able to look further and further into space, it is obvious that if man had a space vehicle that could travel at the speed of light (186,000 miles per second), it would take 4.35 years to reach the nearest star in our galaxy from the earth. Traveling to distant galaxies would take millions of years; for example, traveling to the constellation Virgo from earth would take 42 million years. Therefore, it is obvious that the angels are traveling faster than light. In order to crisscross the universe, they must be traveling at a speed that man cannot comprehend. This means they have a navigation system so they don't collide with stars or planets as they move between planets because the universe is constantly moving at a rapid speed.

There is also another physical law of God which states that the faster an object travels, the heavier it will become. With our current technology, man cannot even begin to build a space vehicle that can surpass the speed of light.

GOD HAS ALWAYS EXISTED

I want you to think about two things:

1. God has always existed. **Isaiah 46:9-10; Hebrews 13:8**
2. God lives in a different dimension. We have no information on what dimension it is, where it is located or how large it is. We are only told that God is eternal and lives outside our creation. We don't know if the dimension where God lives is located in a parallel universe, we are not given information about this in the Bible.

We do know that God is a Spirit and does not have a physical body. But it is apparent that He has a spiritual body. We are given a clue by the apostle John that God is light (**1 John 1:5**) and my deduction is that the spirit dimension exists in a dimension that moves beyond the speed of light while the physical world exists in a dimension moving below the speed of light.

A FINAL HEALING

There is no question in my mind that all the believers in Christ will have been traumatized at the Great White Throne Judgment. Many husbands will see their wives thrown into the Lake of Fire and vice versa. Children will be separated from their parents and thrown into the Lake of Fire and there will be all sorts of heartache as family and friends are eternally separated.

Some of our good friends will stand before Jesus crying uncontrollable as they realized their fate will be to spend eternity in the Lake of Fire. The cries and the sobbing of the lost will be so traumatic that it will tear us apart as we realize that we are saying forever goodbye to people whom we have loved very much on earth.

Up to this point we have never seen God in His full glory, but after the New Jerusalem is come down from the third heaven, it is here that God the Father will meet us and wipe away all our tears and remove the memories of the loved ones who were thrown into the Lake of Fire. **Revelation 21:2-6**

We must be overcomers to avoid the Lake of Fire and spend eternity with God. **Revelation 21:7-8**

What is an overcomer? It is a person who has repented of his sins and trusted solely in Jesus as his Lord and Savior. **Ephesians 2:8-10; Romans 10:8-13**

THE LAST WARNING FROM JESUS

Don't tamper with the Word of God! It is fatal for a person to mess with God's Word! You have been warned! **Revelation 22:18-19**

ARE YOU READY TO FACE THE END TIMES?

Remember, it's not so important how you begin your life after salvation, but how you finish it!

DO YOU HAVE AN EAR TO HEAR WITH?
