THE MARK OF THE BEAST

RLJ-1311

JOHN S. TORELL

OCTOBER 9, 2011

The headlines have been screaming "CHAOS IN THE EUROPEAN FINANCIAL MARKETS" every day for the last few months. The country of Greece is about to go bankrupt, Italy's financial rating has been downgraded twice and Spain is next. At the same time, we see daily demonstrations on television in country after country in Europe and they are becoming more and more violent. Now there are demonstrations in the United States. What is the cause behind all this turmoil?

WORLD GOVERNMENT MINUTES FROM 1897

During a series of secret meetings held in Switzerland from August 29-31, 1897, the future agenda was laid out by a covert group. The plans were allowed to be stolen and translated into the Russian language and by 1905 it had been translated into English and a copy was placed in the British Museum in London, England.

THE VILLAGE IDIOT SYNDROME

A secret that is shared with other people will usually be leaked by accident or carelessness, so in order to keep the secret safe, tell it to the village idiot who will not be believed. Therefore when people hear the secret, they will dismiss it as nonsense from the village idiot. By leaking the document to the Russian secret police, which in turn leaked it to others, the secret was revealed to the world. The Russian secret police were labeled the village idiot, and this intensified after the Communist takeover of Russia in 1917.

In order to discredit the document, some Germans went to Bern, Switzerland in 1934 and handed out copies of the document. Some Jewish people from Switzerland sued them in court for slander and on May 19, 1935 the court ruled that the documents were a forgery that had been copied from other material and were labeled "obscene literature."

This ruling has been cited by the World Government leaders for the last 76 years even though the trial was held at a lower city court and without much investigation. The old adage of repeating a lie often enough and people believing it is true. We are now 106 years from 1905 and when a person reads this political manifesto, it becomes clear that it is not a forgery since just about every detail in the manifesto has been fulfilled. I will show you some excerpts so that you can judge for yourself.

CREATING A GLOBAL FINANCIAL CRISIS

Hatred will be still further magnified by the effects of an economic crisis, which will stop dealing on the exchanges (stock markets) and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold,

which is all in our hands, a universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe. These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot.

GREED AND STOCK MARKETS

In order to give the people no time to think and take note, their minds must be diverted towards industry and trade. Thus all the nations will be swallowed up in the pursuit of gain and in the race of it will not take note of their common foe. But again, in order that freedom may once disintegrate and ruin the communities of the people, we must put industry on speculative basis...

THE ENVIRONMENTALISTS

The art of directing masses and individuals by means of cleverly manipulated theory and verbiage, by regulations of life in common and all sorts of other quirks, in all which the people understand nothing, belongs likewise to the specialists of our administrative brain.

Reared on analysis, observation, on delicacies of fine calculation, in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity...

Leading the pack to regulate the people in the world is Al Gore with his "global warming." The environmentalists have regulated the American people out of public federal land and made it almost impossible for logging in our forests in order to protect the spotted owl. Farmers in California and other places are denied water to protect a small obscure fish. Additionally, farmers cannot use all their land in order to preserve vernal pools that are homes to rare frogs. Oil has been locked up in Alaska to protect the land from being developed so that it will remain in its pristine condition.

In Stockholm and other cities in Europe you have to pay a fee to drive into a city, forcing people to take a bus or train instead. Everywhere in the United States private land is regulated by zoning, set up by environmentalists and there is no end to this list.

DESTROY PERSONAL INITIATIVE

The secret requisite for the success of our government is comprised in the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know where he is in the resulting chaos, so that the people in consequence will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to submit to us, and to discourage any kind of personal initiative which might in any degree hinder our affair. There is nothing

more dangerous than personal initiative; if it has genius behind it, such initiative can do more than can be done by millions of people among whom we have sown discord.

We must so direct the education of the communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence.

RUIN THE INDUSTRIAL BASE

At the same time we must intensively patronize trade and industry, but first and foremost, speculation, the part played by which is to provide a counterpoise to industry; the absence of speculative industry will multiply capital in private hands and will serve to restore agriculture by freeing the land from indebtedness to the land banks...

...To complete the ruin of the industry of the people we shall bring to assistance of speculation the luxury which we have developed among the people, that greedy demand for luxury which is swallowing up everything.

We shall raise the rate of wages which, however, will not bring any advantage to the workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding;

We shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measures to extirpate (destroy) from the face of the earth all educated forces of the people.

Could anyone living in 1897 believe that in less than 60 years, the devastation of drugs would sweep the world, beginning first in the United States and spreading to the rest of the world? In order to stem this epidemic destruction, factories and businesses are forced to drug test every person they want to hire in order to make sure that they get a drug free worker.

ECONOMIC CONQUEST

We shall surround our government with a whole world of economists. That is the reason why economic science form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and – the main thing – millionaires, because in substance everything will be settled by the quest of figures.

INTRODUCTION OF PORNOGRAPHY

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature. For some time after our entrance to power we shall continue to encourage its existence in order to provide a telling relief by contrast to the speeches, party programme, which will be distributed from exalted quarters of ours...

Our wise men, trained to become leaders of the people, will compose speeches, projects, memoirs, articles, which will be used by us to influence the minds of the

people, directing them towards such understanding and forms of knowledge as have been determined by us.

When this was written in 1897, the art of photography had been around for about 20 years, but the motion picture industry had yet to be developed. Only 20 years later the “exalted quarters” had become known as Hollywood. Later, Northridge, a city just north of Hollywood became the center of the pornographic industry in the United States.

CREATING ECONOMIC CRISES

Economic crises have been produced by us for the people by no other means than withdrawing of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals.

This has been the fate of the United States since 1828. This has all been outlined in my 4th Kaballah book: *THE KABALLAH: THE MOTHER OF ALL HARLOTS, Book 4: The Stealth Takeover of the United States*

ANTI-SEMITISM

Nowadays, if any States raise a protest against us it is only pro forma (for the sake of) at our discretion and by our direction, for their anti-Semitism is indispensable to us for the management of our lesser brethren. I will not enter into further explanations, for this matter has formed the subject of repeated discussions amongst us.

SANITIZING HISTORY

Classicism (studying the history of ancient Greece and Rome), as also any form of ancient history, in which there are more bad than good examples, we shall replace with the study of the programme of the future. We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the Gentiles.

DECEIVING THE WORKING CLASS

...In order that the masses themselves may not guess what they are about we further distract them with amusements, games, pastimes, passions, people’s palaces...Soon we shall begin through the press to propose competitions in art, in sport in all kinds; these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more disaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as we, because we, alone shall be offering them new directions for thought...of course through such persons as will not be suspected of solidarity with us.

CONTROLLING THE MEDIA

...All our newspapers will be of all possible complexions – aristocratic, republican, revolutionary, even anarchical – for so long, of course, as the constitution exists...Like the Indian idol Vishnu they will have a hundred hands, and every one of them will have a finger on any one of the public opinions as required.

When a pulse quickens these hands it will lead opinion in the direction of our aims, for an excited patient loses all power of judgment and easily yields to suggestions. Those fools who will think they are repeating the opinion of a newspaper of their own camp will be repeating our opinion or any opinion that seems desirable for us. In the vain belief that they are following the organ of their party they will in fact follow the flag which we hand out for them.

Radio and television had not been introduced to the ruling elite when this was written in 1897. Today there are pundits of every opinion with a television show or a talk radio program. All of them babble, hoping that someone gullible and ignorant will believe them. Some of the worst offenders are Rush Limbaugh and Alex Jones, who portray themselves to be truth telling conservative Americans but are really mouthpieces for the World Government.

THE DEVIL IS THE AUTHOR OF THIS DOCUMENT

The Bible makes it clear that the Devil will give power to the Antichrist and his regime. The apostle Peter tells us that the Bible was written by men who had been moved by the Holy Ghost. **2 Peter 1:21**

The quotes from the aforementioned document were written down by unholy men who were moved by the Devil. **Revelation 13:1-4**

We have been warned that the Antichrist will come and set up his kingdom before Jesus comes back. **2 Thessalonians 2:1-9**

We are also told that God will turn people over to strong delusion because they refuse to know the truth. **verses 10-12**

But God will have a remnant that will not hearken to these lies. **verses 13-17**

We are warned there will be terrible persecution. **Revelation 13:5-9**

WE ARE JUST ABOUT TO ENTER THE TRIBULATION

Jesus warned us that there will be great distress upon all nations in the world prior to His second coming. **Luke 21:25-26**

The man that Satan will introduce to the world to solve the global financial crisis is going to be a homosexual Jew, who is not going to worship the God of Abraham, Isaac and Jacob, but the Serpent. **Daniel 11:36-39**

The people of the nations will give this man of Satan their allegiance because he will solve the terrible problem of unemployment and lack of food and shelter. **Revelation 13:11-15**

The nations of the world won't be conquered by military might but by a catastrophic global financial meltdown. The cost of being rescued will be to take the Mark of the Beast. **verses 16-18**

Taking the Mark of the Beast damns you to the Lake of Fire even if you have previously accepted Jesus as your Lord and Saviour. **Revelation 14:9-13**

WHAT THE DEVIL SAID

The recognition of our despot may also come before the destruction of the constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence – a matter which we shall arrange for – of their rulers, will clamour: “Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders – frontiers, nationalities, religions, State debts – who will give us peace and quiet which we cannot find under our rulers and representatives.”

Listen to the mobs on the streets. What is their cry? They are energized by demonic powers and are demanding change. Trouble is here now! When will the Christians wake up?

The night is coming quickly when Christians can no longer work. Today is a day of decision in which we must decide if we are going to live close to Jesus and give all that we have of our time, possessions and finances!
John 9:4

Remember, it's not so important how you begin your life after salvation, but how you finish it!

DO YOU HAVE AN EAR TO HEAR WITH?
