

# *Resurrection Life of Jesus Church*

## THE POINT OF NO RETURN

RLJ-1502

JOHN S. TORELL

JUNE 28, 2015

### **JUDGMENT**

God has promised not to release judgments on the earth without telling His prophets first. I do not claim the office of a prophet but God has spoken to me about the fate of America. **Amos 3:7-8**

On June 26, 2015 five Supreme Court justices (consisting of three women and two men) brought the United States under the wrath of God by ruling that same sex marriages are now legal in all 50 states. They have led the nation into rebellion against God that will not go unpunished and we can only expect the wrath of God to be released over the United States of America.

Our descent into the homosexual cesspool is not a surprise to God since He knew what would take place before the foundation of the world. It is important to make the distinction that God does not react to events as we do but He does respond to the sins of mankind and mete out proper judgment as necessary. **Galatians 6:7-9**

Some 6,000 years ago the people of Sodom and Gomorrah removed all moral restraints from their society and embraced every carnal desire such as prostitution, adultery, fornication, homosexuality, bestiality, rape, pedophilia, sadomasochism and necrophilia.

Then Jesus arrived to mete out punishment. **Genesis 18:17-21**

Abraham tried to reason with Jesus and hold off the judgment. **verses 22-33**

Jesus came to these two cities and found the sinful state was so grave that the people could not be redeemed and had to be destroyed. The two angels assigned to carry out the destruction tried to rescue Lot and his family but not everyone wanted to be saved. **Genesis 19:1-15, 22**

Fire fell from heaven the next day and evaporated every living being, including all the buildings and roads. The molten sand of that cataclysmic judgment is still evident today. **verses 15-29**

### **THE FIVE JUSTICES**

Who are the five justices that voted for same sex marriage?

1. Anthony Kennedy was born in Sacramento and raised as a Roman Catholic.
2. Sonia Sotomayor was born in New York and raised as a Roman Catholic.
3. Ruth Bader Ginsberg was born in New York and raised in the Jewish faith.
4. Elena Kagan was born in New York and raised in the Jewish faith.
5. Stephen Breyer was born in San Francisco and raised in the Jewish faith.

Supreme Court judges are not elected but appointed by a president of the United States.

According to the Constitution, these justices are not to legislate from the bench, but to uphold and interpret the laws which have been passed by congress.

## **WHAT HAVE THEY DONE?**

The people of California voted in 2008 on Proposition 8 that simply stated, "Only marriage between a man and a woman is valid or recognized in California." The majority of people in California voted yes on this proposition.

Homosexuals sued to invalidate the proposition in a federal court and the case was presided over by a homosexual judge. It came as no surprise when he ruled that the proposition was unconstitutional. His ruling was unsuccessfully appealed all the way to the Supreme Court of the United States where five justices ruled that the California's Proposition 8 was unconstitutional and later ruled that all states in the union are mandated to recognize homosexual marriages.

These five justices were legal when they declared California's Proposition 8 unconstitutional and left the burden upon Congress and the state legislatures to draft laws which would settle the issue but they went far beyond the constitution when they mandated homosexual marriages for all fifty states.

However, these justices should be impeached by Congress for their partisan judicial tyranny but there is no senator or congressman who dares to challenge the homosexual lobby.

It has been rumored that Elena Kagan and Sonia Sotomayor are homosexuals but neither of them have come forward to refute these rumors.

The three Jewish justices (Ginsberg, Kagan & Breyer) have abandoned their faith in the God of Abraham, Isaac and Jacob and openly displayed they are disciples of the future Antichrist, which the Bible states will be a homosexual. **Daniel 11:36-39**

The two Roman Catholics (Kennedy & Sotomayor) should no longer call themselves Roman Catholic because they have violated the core doctrine of the Roman Catholic Church, and if the Pope had any backbone, they should be ex-communicated.

The Jewish justices have violated God's laws. **Leviticus 18-22-30**

The Roman Catholic justices have violated the laws of the Old Testament but they have also trampled afoot the words of the apostle Paul. **Romans 1:18-32**

## **BLASPHEMY**

These five Supreme Court justices have elevated themselves above God and completely ignored His words concerning marriage. Evidently God is an idiot and these "enlightened" justices know better than the Creator. **Genesis 2:18-25**

They have essentially spit Jesus in the face by declaring they are more knowledgeable and powerful than the Son of God. **Matthew 19:3-6**

*When a man marries a woman, they are made one flesh by God!*

*It is the Devil's counterfeit when a man marries a man, or a woman marries a woman, because they are made one flesh by Satan!*

God created a man and woman to come together in marriage and raise children.

This is naturally impossible for homosexual couples and they must resort to artificial insemination or adoption. Satan wants homosexual couples to raise children to become like them, hell children!

## **WHERE IS THE CHURCH?**

There are few preachers that dare to speak on the subject of sin today. Franklin Graham, the son of Billy Graham, is one of the few prominent men of God that has taken a stand. Most preachers are like Joel Osteen, who propagates the lie that God sent us to love people, when in reality God sent us to preach the Gospel to people. Preaching the Gospel is loving people. Hate can be characterized by withholding the Gospel.

Look at these statements by Joel Osteen as reported by Charisma:

Joel Osteen has built a reputation for welcoming all. As he likes to say, "I'm for everybody." God bless him.

Osteen, pastor of Lakewood Church, a mega church in Houston, has told us he'd attend a gay wedding and told the world on the Larry King Live that it's not his place to judge who's going to heaven and who isn't.

These and other media appearances set off a firestorm of accusations that he's compromising the Word of God. Now, Osteen is dealing with another controversial issue: Islam.

In an interview with Here and Now radio's Jeremy Hobson Monday, Osteen shared how much his messages resonate with Muslims.

"I have Muslims (who) attend our church and my books sell a lot in Muslim countries as well. You know, I don't know, I don't get too deep in those kinds of things, but our ministry is about reaching out to everybody, and so I do and I do have those conversations," Osteen said.

Osteen went on to share that Lakewood had about 50 Muslims sitting on the front row of at Lakewood Church two weeks ago and said he has "good, good relations with them.

"And I think it's again, part of our ministry is, you know, our main theme is Jesus says love God with all your heart and love your neighbor as you love yourself," Osteen said. "And I don't try to put people in a box—OK, they're Jewish or they're Catholic, they're this or they're that. I just say, 'You know what, they're somebody that God's put in our path for us to love,' and that's our philosophy." <sup>1</sup>

## WHAT CAN WE EXPECT?

As a nation, what can we expect? Let us look at some of the things God has done in the past.

1. When the sins of the ten northern tribes reached the limit for God's grace, the hammer fell, and they were invaded and carried away into Assyria. **2 Kings 17:1-20; 18:10-12**
2. When the sins of Judah reached the limit for God's grace, God used the Babylonians to destroy and carry the Jews off into captivity. **2 Kings 24:1-20; 25:1-30**
3. In the Book of Revelation, God uses famine, death, drought, floods, earthquakes, incurable diseases, war, etc. to punish the Antichrist and the people who have taken the Mark of the Beast.

I do not presume to know what God is going to do to America but the destruction of marriage and the flood of homosexual filth will not go unpunished. America will pay dearly for its sins.

As judgments begin to fall on our nation, the president and other national leaders will release federal disaster aid and talk about rebuilding just like they have done in the past; however, the more they spend and rebuild, even more destruction will come. The mainstream media will not report that America is under judgment. It is the duty of the pastors and evangelists that love Jesus and His Word to stand up and declare that our nation is receiving judgments from the Lord and we need to repent. If the American people do not know that God is judging them, they will not repent.

*“But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach; That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.*

*For the scripture saith, Whosoever believeth on him shall not be ashamed. For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. For whosoever shall call upon the name of the Lord shall be saved.*

***How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?***

*And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report? So then faith cometh by hearing, and hearing by the word of God.” **Romans 10:8-17***

As Christians, we can lead America to repentance. What are you doing to do?  
**2 Chronicles 7:12-15**

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***

***Do you have an ear to hear with?***
