PART 13: COVETING 201

EVOLUTIONARY LIES

Lucifer was a beautiful angel before he sinned and today he craves anonymity as the Devil. He doesn't want you to know about his past, and it was he, not Eve, who was the original sinner. As revivals swept through England and the United States in the 19th century, the Devil found a man who would create one of the biggest lies in the history of mankind. Charles Darwin is dead but his theory of evolution flourishes in the academic world. It was an idea inspired by the Devil 156 year ago which completely rejects God.

I am blessed that there was no evolutionary teaching when I attended school in the 1940's and 1950's. Darwin's theory was not scientific with empirical evidence proving evolution takes place; instead, it was a philosophical development that fit Satan's plan for a world government which will one day be ruled by a man whom the Bible calls the Beast, Son of Perdition and the Antichrist.

Most Americans born after 1950, and this includes Christians, have been taught evolution as fact instead of theory. Most people today believe that man originates from a slime pit millions of years ago and slowly evolved over time. This is an outright lie from the Devil and a rejection of the biblical account of the creation of mankind. If you reject truth, God will send a spirit of delusion so that you believe a lie. **2 Thessalonians 2:8-12**

Darwin never took into account angels nor did he write about the spirit world. He failed to consider that a human being consists of a physical body, soul and a dead spirit.

You must reject the Bible and its information about angels, the trinity of mankind and that God created everything in order to believe the evolutionary theory. It is impossible to reconcile these two belief systems! The American educational system has made fools of its student and this is evident as the fabric of our nation continues to erode. **Psalms 14:1; Romans 1:18-23**

EVENTS BEFORE ADAM AND EVE

The creation account found in the Book of Genesis was given to Adam by Jesus. It isn't until the New Testament that we are definitively told that Jesus is the Creator. **John 1:1-3**

In reading the creation account, it is obvious something is missing in the timeline between the first two verses. The first verse states that God created the heaven and the earth but no details are provided about how it was carried out. **Genesis 1:1**

In the second verse we are told that the earth was without form and void. The Hebrew word for void "is a formless void" or "chaos." Jesus did not certainly create chaos. Chaos came about as a result of the horrible space war that spanned the entire universe and ended on the planet earth. The earth's surface was totally destroyed by

the angel Michael and his angelic armed forces as Lucifer made a last stand in much the same way that Hitler did in Berlin at the end of World War 2. **verse 2**

The creation account (**Genesis 1:2-31**) is the story of the earth's re-creation and the re-alignment of the stars. If Adam and Eve had possessed knowledge of Lucifer and his life before they were created, he would never have been able to tempt them in the Garden of Eden.

LUCIFER

Lucifer was a cherub, a high ranking angel, who led the other angels in worship and was given access to the throne room of God. He was also the king of the earth, where he was given a thriving civilization of non-angelic beings. They were divided into nations with cities and commerce. Lucifer's assignment was to come to the throne room from time to time and give God the worship He deserved. He was also to rule the earth and make sure that justice and truth prevailed among the nations.

Lucifer became unhappy at some point and did not enjoy worshiping God anymore. Sin took over as he changed from a holy angel to a sinful angel. He began to rule the earth with a reprobate mind and used his spiritual power to instigate wars among the nations. Lucifer became an evil dictator who was a curse to the inhabitants of the earth. He traveled throughout the universe and spoke to the different angel civilizations and convinced a third of them to overthrow God. Discontent led to coveting, which in turn led to sin and destruction. **Isaiah 14:12-15; Ezekiel 28:1-19**

Lucifer became the father of all lies. **John 8:42-45**

SUMMARY

Coveting is a breeding ground for greed. **Proverbs 1:8-19**

Coveting is the seed that corrupts a man to become a thief, for a woman/man to steal another person's spouse, for political leaders to go to war to gain more land and riches and for the rich man to get even richer through deception and fraud. Every war, whether great or small, can be traced to the sin of coveting. **James 4:1-4**

Do you need to repent? **1 John 1:5-10**
