BLUEPRINT

Like a blueprint for a building, God saw you before you were created. He has a plan for every human being. **Jeremiah 1:4-5**

The problem is sin; it messes everything up. This is what happened with Adam and Eve and it was the second Adam (Jesus) that reopened the communication. Since the Garden of Eden, when the soul is attached to the physical body at the moment of conception, the connection with God is broken. **Ephesians 1:7-11**

It is necessary to get reacquainted with God. **Colossians 1:12-14**

BAD SITUATIONS

God doesn't expect great things right away when you come to Him. Like a newborn that only drinks milk, the Lord realizes you will need guidance and others to lean on for help, but eventually you need to eat solid foods and strike out on your own. **Hebrews 5:12-14**

The Israelites did not fully follow God's instructions when it came to driving out the inhabitants of Canaan. Those who remained in the Promised Land contaminated God's people with their idol worship and the Israelites vacillated between God and the demon gods. **Psalms 121:1-8**

God will create situations where you must depend upon Him:

1. The mishaps of King David.
 - a. Saul perpetually chased him. **1 Samuel chapters 21-31**
 - b. Those plotting against him once he was king. **Psalms 37:34-36**
 - c. Absalom leading a revolt against him. **2 Samuel chapters 15-18**
2. The fiery furnace of Nebuchadnezzar. **Daniel 3:1-30**
3. The den of aggressive lions. **Daniel 6:1-28**
4. Martha dealing with the premature death of her brother. **John 11:1-45**
5. Paul dealing with never ending persecution. **2 Corinthians 12:7-10**

If God has placed you in a difficult situation, you won't get out of it until you begin communicating with Him. He doesn't want you to be dependent upon others. He will provide you with the solution when you turn to Him. **Matthew 11:28-30**

GOD IS THE SOURCE

God can communicate through a variety of methods such as prayer, scripture and personal revelation. He doesn't want you to become dependent upon other human beings or organizations; God can use them but you shouldn't come to rely upon them because the God of Creation wants to be your source. **Psalms 121:2**

People will come and go in your life. The same is true of any ministry. The good news is that God can't fail and He's got your back! **Psalms 34:1-22**

SMALL STEPS

You probably don't remember learning to walk but it was a process where your parents helped until you slowly were able to stand and eventually walk on your own. God works the same way. He knows that you aren't going to become a spiritual giant overnight.

People go to a university to find unity in diversity. The unsaved think the same is true of Christianity but it's not. When we press in to Jesus, we become more unique. The body of Christ is a diverse group of building blocks and God is putting together a spiritual house. **1 Peter 2:1-5**

Go directly to God when you need help. **John 14:6**

God wants all of you. He doesn't want to share you. He wants you to be completely devoted to Him, to love Him without reservation and to trust Him with every detail of your life. Conversely, that is exactly what Satan wants as well. **Exodus 20:1-6**

Be yourself because that's who God designed you to be. **Ephesians 2:8-10**

Remember, it's not so important how you begin your life after salvation, but how you finish it!
