### PART 33: SEEING INTO THE FUTURE

Every man that God called to be part of His redemption plan for the human race was flawed in some respect, some more than others, the worst of them being King Solomon.

#### **BEFORE THE CREATION**

The Godhead of God the Father, God the Son, and God the Holy Spirit known to mankind as "Elohim" began the design of creation in their minds.

Humanity has the ability to design a car on a computer to the smallest detail. The car exists in a virtual world, but not in the physical world. Once a designer is pleased with his virtual car, blueprints are created which are used to physically build the car.

In much the same way, God used a supercomputer to design the creation, including the universe, angels and people. Once this was completed, God traveled in time and examined the virtual design projected into the future and saw every decision angels and people would make in their lives. Thus, God was able to see what would take place from the beginning to future events like the Great White Throne Judgment, dissolving the current creation, and our transfer to the new creation. **Isaiah 45:21-23; 46:9-10; 55:8-9**

#### **GOD IS ETERNAL**

God is eternal. He has no beginning or end. He is all knowing. God exists outside of time as we know it, giving Him the ability to "see into the future." This is the why God was able to speak to His prophets and have them prophecy about people and events that would happen in the future.

The Book of Revelation speaks of God's power when Jesus revealed future events to the apostle John. **Psalm 90:1-2; Matthew 13:34-35; Ephesians 1:3-7; Romans 8:25-31; 1 Peter 1:18-20**

#### **OMNISCIENT STATEMENTS**

God knew before the creation of the angels that Lucifer would turn on Him and deceive one third of the angels into joining his rebellion and the subsequent space war that followed. God also knew that Michael and the rest of the holy angels would defeat Lucifer and his fallen angels. **Isaiah 14:12-19; Ezekiel 28:11-19; Revelation 12:7-10; Genesis 3:15**

The Lake of Fire was prepared beforehand because God knew that Lucifer would be tried with his angels and sentenced to this place of punishment. **Matthew 25:41**

God knew the earth would need to be restored from the resulting space war. Adam and Eve would be placed in the Garden of Eden to be tempted by Lucifer. **Genesis 2:4-15**

God knew that Eve would succumb to the Devil and drag Adam with her. **Genesis 3:1-7**

The Godhead sent Jesus to the earth and become the sacrifice for the sins of humanity.  
**Hebrews 4:3; Revelation 13:8**

God could easily do these things because He exists outside of time. God doesn't view time in the same linear way as humanity. He sees the past, present and future at the same time. This is why He has the ability to "see into the future." **Daniel 12:7; 2 Peter 3:8; 1 Corinthians 2:7-8**
