PART 3: RESTORING THE EARTH

WHAT WE HAVE ESTABLISHED

From the previous sermons we have established the following biblical facts:

1. Jesus is the Creator.
2. God created angels before He created the universe.
3. There are angelic civilizations throughout the universe with an angel in charge of each one. Additionally, there are other created beings which the Bible refers to as "people."
4. Prior to Adam and Eve, Lucifer was the angel in charge of the earth. There were people living on earth during this time.
5. Lucifer led an angelic rebellion against God which resulted in a space war. He was defeated and captured. At his trial, he was sentenced to the Lake of Fire together with the other fallen angels who joined his insurrection. Lucifer appealed his sentence and accused God of not being a righteous God.
6. God did not execute the sentence and set out to prove His righteousness by refurbishing the earth and creating Adam and Eve.

REFURBISHING THE EARTH

In the beginning, God created the heaven and the earth. **Genesis 1:1**

For some reason the earth had been damaged. **verse 2**

God did not create chaos; it came about as the result of a devastating space war between Michael and the holy angels opposing Lucifer's insurrection.

The word "void" found in the second verse of the King James Bible is derived from the Hebrew word "bohu.

*"And the earth was **without form, and void**; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters." **Genesis 1:2***

It is also found in Jeremiah 4:23. The Hebrew form used in this passage is "tohu wabohu," which means a "formless void" or "chaos."

*"I beheld the earth, and, lo, it was **without form, and void**; and the heavens, and they had no light. I beheld the mountains, and, lo, they trembled, and all the hills moved lightly. I beheld, and, lo, there was no man, and all the birds of the heavens were fled. I beheld, and, lo, the fruitful place was a wilderness, and all the cities*

thereof were broken down at the presence of the LORD, and by his fierce anger.”

Jeremiah 4:23-26

REJECTION BY THE DENOMINATIONS

Christian denominations in the United States and in many other nations reject the fact that the earth has been refurbished. To do such a thing, they must also admit that the Devil exists, there are holy and unholy angels, there was a space war, and that evil spirits exist. They are also vehemently opposed to the Baptism of the Holy Spirit, divine healings, casting out demons, etc.

Satan has gained control of certain denominations evidenced by the fact that they do not believe in the supernatural, the spirit world, and are little more than sanctimonious country clubs.

However, if you are born again, believe the Bible is the Word of God as found in the King James Version, we should be able to study it together and merge biblical revelations with history, archeology and technology.

THE CREATION NARRATIVE

The creation narrative of the earth was shared with Adam. Jesus stated that the heaven and the earth were initially created but did not state at that point what had taken place in the past.

What would have happened if Adam knew about Lucifer and the earth being a prison planet? It would have been impossible for Lucifer to tempt him. As a result, Jesus simply stated the earth had been destroyed and there was no light.

In order to effectively prove His righteousness without bias, Adam and Eve were purposely kept in the dark about what had taken place prior to their existence. Rejecting the Devil's temptation would be based upon the will of Adam and Eve to obey God and reject sin. **Genesis 2:16-17**

Why didn't God protect Adam and Eve from the Devil if they were created to prove His righteousness. That doesn't necessarily make sense unless you realize that God also gave mankind the ability to repent and be saved from eternal punishment. **Genesis 3:15**

No angel could prove that God is righteous. It could only be done by a creature that possessed a free will and was triune just like God. **Genesis 1:26-27**

The complete plan of salvation was not revealed to mankind or Jesus would never have been crucified. The redemption plan was hidden from Lucifer. He did not know that God the Son would pay for the sins of the humanity. **1 Corinthians 2:6-8; 2 Corinthians 5:18-21**

If Satan would have known about the redemption plan for the human race, he would have protected Jesus from crucifixion and made sure he died of old age. **Ephesians 3:1-6; Colossians 1:25-29**

Job lived on earth some 2,000 years after Adam. He was given supernatural knowledge about the courthouse in the second heaven and how Satan was given legal permission to strike him. Why? So that Job would be broken and curse God. **Job 1:1, 6-12; 2:1-10**

It is an honor and privilege for the human race to be specifically created to show the spirit world that our Creator is a God of love, kindness and righteousness. **John 3:14-21**

REFURBISHING THE EARTH

Jesus wanted Adam and Eve to know about the refurbishment of the earth. He imparted knowledge about plants, animals, and fish. Adam was to take care of the beautiful garden. With what Jesus taught him, Adam basically had a degree in zoology and agriculture. **Genesis 2:15-20**

Jesus created a physical universe so vast it is measured in light years. Individual planets are grouped together in solar systems, galaxies, clusters and superclusters. He wanted to explain it in terms that Adam could understand, knowing the creation story would be part of the Bible and be read by future generations of humans.

Jesus told Daniel that knowledge would increase in the latter time. Daniel's account is written in such a way that when a modern person reads the narrative, it fits our knowledge of earth today. **Daniel 12:3-10**

1. Jesus told Adam that God (Elohim) created heaven and earth. **Genesis 1:1**
 - a. Elohim means Gods in plural.
2. Jesus stated the earth was destroyed; there was no light and the earth was covered with water; and the Holy Spirit moved upon the waters. **verse 2**
3. Adam was told that light had been created. Part of the earth would have light while the other part was in darkness. Jesus did not explain to Adam that the earth was a planet that rotated on an axis. **verses 3-5**
4. Jesus created a dome of water which was separate from the water in the oceans. **verse 6-8**
 - a. Few people have understood that Jesus had water sucked up into the atmosphere and it created a dome or canopy around the earth similar to the ozone layer.
 - b. Picture the earth covered with a glass dome of frozen water. Jesus used this canopy to filter out ultraviolet rays from the sun. It also produced a perfect climate with an even temperature like a hot house in a professional nursery.
 - c. My statement about the canopy is substantiated from the following Bible verses:
 - i. There was no rain on the earth prior to Noah's flood. A mist from the ground arose every night and watered the trees and plants. **Genesis 2:5-6**
 - ii. Based upon the following verse, I believe it never rained on the earth until the flood. **Hebrews 11:7**

- iii. On the day of the flood, the fountains of the deep broke and the window of heaven (canopy) was opened. **Genesis 7:11**
5. In much the same way that the earth was covered with water during Noah's flood, the earth was also covered with water at the time of the refurbishment. Everyone who lived on earth when Lucifer was regent had been drowned by a worldwide flood. Jesus told Adam that He had separated the waters and created dry land. **Genesis 1:9-10**
6. I believe Jesus raised the ocean floors to become dry land. The dry land upon which Lucifer had built his nations and cities became the new ocean floor. **Psalms 104:5-8**

This theory is backed by evidence as scientists have found fossils of whales and other marine animals in the mountain sediments of the Andes in South America. The same scientists believe the Andes Mountains rose rapidly from the ocean floor.

The same thing can be found in the Himalaya mountain range located hundreds of miles from an ocean. Fossils of fish and other marine creatures have been found at 29,000 feet.

The same holds true for the Sierra Nevada mountain range and the Rocky Mountains.

I believe that Jesus wanted to make sure any remnant from the Luciferian age on the earth would be hidden from mankind and He used an enormous force of energy to make this happen.

7. The valleys, foothills, and mountain ranges with their tall peaks that we see on every continent also exist underwater. After the end of World War II in 1945, submersibles were designed to dive into the ocean depths to discover what was down there. Together with satellites, mankind has been able to map the ocean floors. We have discovered there are mountain ranges in the Atlantic and Pacific oceans and the ocean floor looks pretty much like the dry land.

The Hawaiian Islands are built upon mountain peaks some 30,000 feet above the ocean floor.

The Walters Shoals is an underwater mountain range south of the Island of Madagascar with peaks that rise to 14,250 feet above the ocean floor.

The Ampere Seamount is located on a mountain ridge outside Portugal in the Atlantic Ocean and the peaks are some 14,400 feet about the ocean floor.

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
