PART 2: THE SURVIVING REMNANT

The following account takes place in the future...

DIFFERENT WORLD

As the Pastor announces the new financial system on global televisions, Christians around the world are bewildered. **Revelation 13:16-17**

It has been some four years since the great nuclear war devastated China, Russia and the United States. Large portions of these nations are uninhabitable due to heavy radiation. Millions of people perished in the war, including Christians. The once strong Christian churches in the United States are gone and the Gospel outreach on television, radio and printed material does not exist anymore.

Millions of Christians have been arrested and killed by the order of the Supreme Leader. Very few have printed Bibles since they embraced phones and tablets to read the Scriptures prior to the war. Once the Supreme Leader began persecuting Christians, any website promoting or quoting the Bible was removed, along with every app on Apple iTunes and the Google Play stores.

Christians had been warned by old fashioned pastors to hang on to their printed Bibles because the internet would be taken over by the Antichrist one day. But most Christians refused to give up their Bibles on their smartphones and tablets because it was so much more convenient to carry a small digital device that had the ability to search the Scriptures quickly and accurately. The Supreme Leader's confiscation of printed Bibles and censorship on the internet meant that most Christians had lost access to the Scriptures. **Revelation 13:4-9; Amos 8:11-13**

CHRISTIANS ARE BEWILDERED

Organized Christian churches no longer exist as all church buildings have been converted to community centers or simply demolished. Denominations – the hallmark that once defined Christianity – have passed away. Shortly after the Supreme Leader declared his godhood, most pastors renounced their Christian faith and were given jobs as community coordinators. This was an easy transition since they had been trained at seminary to be a “social engineer,” using psychology to help their members overcome anxiety and family problems.

These “men of God” were more than happy to receive the microchip, and before churches were closed, encouraged their congregants to do the same. They smiled and agreed as each church member became part of this “divine system” by pledging their allegiance to the Supreme Leader, signing an electronic form, bowing their knees and promising to worship the global potentate every day, and finally receiving the microchip in their right hand or forehead.

The training of young impressionable men entering the ministry since 1960 was nothing less than insidious when seminary professors cast doubt upon the Scriptures by claiming it was not entirely clear who had written the different books of the Bible.

- ❖ The Book of Daniel was fraudulent, written by Jews during the uprising against Greece in 167-164 B.C., and thus according to the teaching of scholars, he never existed.
- ❖ The Book of Revelation was written by the apostle John when he was incarcerated on the prison island of Patmos. He wanted to communicate with the church in Ephesus where he had been the pastor. He wrote the message in code to get it past the guards but it has no value today as it is strictly a fictional story.

As a result, the majority of Christians living in the beginning of the 21st century did not believe God had provided information about the end times. When the Supreme Leader took power, they had no clue this man was the Antichrist and the Pastor was the False Prophet. They simply thought that the Supreme Leader was just another dictator like so many before him. **Jeremiah 23:1-2; Ezekiel 44:10-13**

CHANGE OF WORSHIP

The Pastor now discloses a great secret to the world! The people already know that the Supreme Leader is god. They know that he has a secret ally. The Pastor reveals that this secret ally is Lucifer. He is the god behind the Supreme Leader.

The Pastor begins to teach that god is triune; Lucifer is the father, the Supreme Leader is his son, and Lucifer also has a spirit by which he empowers his work on earth. They are three and yet they are one at the same time. The people of the world do not know this is a counterfeit to the real God, who is triune. Satan in fact does not have a spirit; he is faking it by using evil spirits to do his evil work on the earth. **Revelation 13:4**

Jesus told His disciples to baptize people in the name of the Father, the Son and the Holy Spirit. In contrast, Lucifer is telling his ministers to baptize people in the name of Lucifer, his son and his spirit. **Matthew 28:19**

THE REMNANT

In the midst of this end times chaos is a remnant of born-again believers in Christ who have been baptized in the Holy Spirit. Scattered throughout the world, they are homeless because they rejected the microchip. They stubbornly hold to the belief that words of Jesus in the Bible are true, not just for that time, but until He returns in the future. They pray for the sick, cast out demons, raise the dead, and pray in tongues.

These Christians have been using physical copies of the Bible. The Bible to them is a treasure which cannot be valued in money. Since few Bibles remain from the Supreme Leader's purge, an educational system is set up whereby different chapters of the Scriptures are copied and diligently studied.

The Holy Spirit gives them great understanding as they choose to believe the words of Jesus. They choose to accept everything the Son of God says and expect all their prayers to be answered. **John 14:9-18, 26-27; 16:7-15**

The Pastor is aware of these Christians and places a bounty on their heads since they pose a threat to the World Federation. The problem is that these men and women have vanished into wilderness areas of the earth. A military command is created with the purpose of identifying, locating and killing these Christians. Trained operators scan satellite images in an effort to find the camps of the Christians. The military forces sent to capture and kill the Christians vanish or get confused to the point that they don't know where they are located. The Supreme Leader and the Pastor are furious that their efforts are useless against the hated Christians. **2 Kings 6:8-23**

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
