PART 7: RESISTANCE BY LUCIFER

THE TIME BEFORE THE GREAT FLOOD

The Godhead decided to continue the virtual time run to find out what would happen next. Things did not start out well even though Eve became pregnant time and time again with sons and daughters. The oldest son decided to murder his brother. Jesus injected Himself into in the virtual time run and tried to dissuade Cain but he would not listen to reason. As a result, Jesus banished Cain and put a special mark upon him, stating that his siblings were not allowed to kill him. **Genesis 4:1-16**

The Godhead abandoned the bloodline of Cain and started afresh with Seth. **Genesis 4:25-26**

When the Godhead were some 600 years into the virtual time run, a group of 200 fallen angels began interacting with the seed of Cain. These angels used their skill and knowledge to create physical bodies for themselves and engaged in sexual intercourse with human women.

The offspring became a hybrid mixture of fallen angel/man that polluted the human race. This was a clever ploy since there was no redemption for the angels which sinned and effectively negated the redemption plan God intended for mankind. Lucifer was essentially trying to force God into a provision of redemption for the fallen angels.

The Godhead stopped the virtual time run as it became clear that Lucifer had successfully corrupted humanity 1,656 years after Adam. A staggering 600 million men, women and children, the animal kingdom, as well as the vegetation were different than intended. The Godhead grieved when they saw what Lucifer had done and felt it was a mistake to create mankind.

As they gazed upon the virtual time run, only Noah's family was not corrupted. The decision was made to flood the earth a second time and kill every person, animal, bird, and vegetation and begin again with four men and four women. **Genesis 6:1-22**

The Godhead started the virtual time run again and they watched Noah unsuccessfully preaching repentance for 100 years until the Godhead intervened with a worldwide flood.

LIFE AFTER THE FLOOD

The four couples began procreating after the flood, and within a few hundred years, the population of the earth had recovered. Instead of serving the Lord, the rebellious people started to build a city that would reach up to the heavens. Jesus injected Himself into in the virtual time run again to create different languages supernaturally that were implanted into the soul brains of each person. Holy angels were instructed to disperse the people based upon the new language they spoke. **Genesis 11:1-9**

The Godhead decided to create a bloodline who would be personally led by God the Son and in time Jesus would incarnate Himself through this bloodline. The man picked to commence this project was Terah. **Genesis 11:25-32**

When the Godhead saw that Terah settled in the city of Haran and refused to go to the land of Canaan as instructed, the Godhead selected his son, Abram, and told him to continue the journey. Abram was called by God 1,955 years after Adam. **Genesis 12:1-7**

RESISTANCE BY LUCIFER

As the virtual time run continued, the Godhead saw Lucifer increasing his attacks on the human race. Since God doesn't tolerate idolatry, Lucifer created a religious department in his kingdom and fallen angels began to author different religions which they introduced to people via demons.

Lucifer thought the idolatry he offered humanity would force God to exterminate mankind. **1 Corinthians 10:19-22**

The Godhead realized that man was too weak to stand on his own against Lucifer and they decided Jesus and the holy angels would have to take an active role to protect the bloodline. Jesus had to intervene numerous times to make sure that Abraham lined up with God and fulfilled his purpose.

Remember, it's not so important how you begin your life after salvation, but how you finish it!
