

Resurrection Life of Jesus Church

THE SEXUALITY OF THE ANTICHRIST

RLJ-1906

JOHN S. TORELL

APRIL 2, 2023

The rise of the Antichrist is a major event that will take place before the second return of Jesus. The Man of Sin will create a global federation and force every nation to give up their sovereignty and become provinces in this new world order.

Do you know the sexual orientation of the man that the Bible refers to as the Beast? This may seem to be an odd question, but given the rise of homosexuality and trans activism, this subject needs to be addressed.

The Holy Spirit gave the prophet Daniel insight into the psyche of the Antichrist. **Daniel 11:21-24; 36-37**

- ❖ He is described as a vile person (extremely unpleasant), morally reprobate, wicked, disgusting, despicable.
- ❖ He will use flattery to deceive people and be a masterful liar.
- ❖ He will exalt himself and speak blasphemy against the God of the creation.
- ❖ He won't have any desire for women. He will be a homosexual.

This future world dictator will be imbued with power from the Devil. **Revelation 13:4**

According to the apostle John, the spirit of the Antichrist was already in the world some 2,000 years ago. **1 John 4:1-3**

That means the spirit of Antichrist has been active for thousands of years and one of its signs is homosexuality.

THE SPIRIT OF THE ANTICHRIST

The spirit of the Antichrist took over the cities of Sodom and Gomorrah and it was so vile that Jesus came to the earth to check it out. What He found was so revolting that the two cities and the surrounding area was destroyed with fire and brimstone. **Genesis 18:20-33; 19:1-29**

Homosexuality and prostitution (male and female) were a main component in the worship of the demon gods. Even the descendants of Abraham were affected. **1 Kings 14:22-24; 15:11-12**

1. The famous band of 300 Spartans that fought at the Battle of Thermopylae were fierce fighters bonded together as homosexual lovers.¹
2. Hitler knew the power of homosexuality and men joining the Nazi SS were initiated through a homosexual encounter that forever changed the young German men.

3. The French Foreign Legion is known for initiating the recruits through the use of homosexuality.

HOMOSEXUAL AND TRANSGENDER

The city of Rome was well-known for its bathhouses of pleasure and decadence.

The term transgender is nothing new. Satan has confused many young people into gender confusion for thousands of years.

Due to the corruption in the church, Germany became a hotbed for people claiming to be transgender. There were so many of them, that the government in 1908 issued “transvestite certificates”, so these people could publicly cross dress without getting arrested.²

The spirit of the Antichrist was able to work faster in Germany than in the United States because the churches in Germany were weak and had been neutralized by the heretical German theologians who rejected the need to repent and the power of the Holy Spirit.

By the time Hitler came into power in 1933, the homosexual movement was large and sexual debauchery was a way of life in the SS.

Ernst Rohm (1887-1934) became a leader of the SA (brown-shirts) which was a forerunner to the SS. Rohm was a homosexual and thousands of his storm troopers were also homosexuals. They were militant, fierce, and never backed down from a fight. It was generally understood among Germans that Adolf Hitler was a bisexual.

THE UNITED STATES

The first American man to go through a gender surgery was George William Jorgensen (1926-1989). His parents were Danish and the hormone therapy and surgery took place in Denmark from 1952-53. He served two years in the U.S. Army as a draftee. He took the name Christine after the surgery, opening the door for the transgender mess we have today.

The fallen angel, Ishtar, was able to break into the United States in 1969 when he invaded the Stonewall Inn (a homosexual bar) in the Greenwich Village of New York City. It was owned and operated by the Genovese mafia family that operated without a liquor license.

When the police raided the bar on June 28, 1969, the crowd of homosexuals exploded with anger, and for the next five days, male and female degenerates from all over New York came to protest.

Ishtar claims to be a god and a goddess; he is the power behind the transgenders. Demons under the command of Ishtar possessed a number of homosexual men, who worked as prostitutes and used the bar as a pick-up place.

A female prostitute with male features was brought out from the bar. She was vocal and angry, and as she was put in the squad car, she shouted to a large group of homosexual men surrounding the bar, ***“Why don’t you guys do something!”***

A cloud of demons enveloped the degenerate collection of men observing the scene. In a split second the crowd exploded in rage and attacked the police so ferociously that they had to flee inside the bar and barricade themselves for safety.

Ishtar commissioned his demon army to transform all male and female homosexuals into raging radicals capable of murder. Homosexuals were instructed to come out of the closet and boldly get in the face of heterosexuals and subdue them by getting involved in politics. **Revelation 12:12**

Lucifer told Ishtar never to back down and Sodom and Gomorrah have seemingly returned. **Genesis 19:4-11**

The Waukesha Christmas parade on November 21, 2021 was interrupted when Darrell Brooks Jr. shot and killed six people and injured another 62. Brooks was a violent 39 years old transgender.

The March 27, 2023 mass shooting at the Covenant Christian School in Nashville was another example of transgender violence. The shooter was Audrey Hale, a 28 years old transgender who killed three children and three adults.

SUMMARY

The spirit of the Antichrist is sweeping the world and the young people are being seduced in different nations. Lucifer's efforts are well organized and continually yield more political power.

It was shameful to be a homosexual in 1950s America and sexual degenerates were refused positions in the federal government and to be part of the military. Some fifty years later their lobbying organizations have gained a lot of clout and they are firmly entrenched among the Republican and Democratic parties.

Churches have been bullied and very few pastors are willing to speak out about this reprobate lifestyle which God has stated is an abomination. The old denominations in the United States now allow homosexual ministers and perform homosexual marriages.

Homosexuals are vocal, militant, and filled with rage. They are the vanguard of the future Antichrist!

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
