PART 14: LET'S TALK ABOUT SEX

SERMON ON THE MOUNTAIN

As the Creator, Jesus was well aware of Satan's abuse of humanity's sexual drive. When Adam and Eve were created, their reproductive organs were not only functional, but Jesus also built in a powerful nerve stimulation system that created strong pleasure when a husband and wife come together.

In the 4,000 years leading to the incarnation of Jesus, the Godhead watched the virtual time run and saw how Lucifer trained evil spirits to specialize in the seduction of humans concerning sexual pleasure outside of marriage. The spiritual law that a man should only have one wife and that only death breaking their union was constantly violated.

Lucifer sent evil spirits to fill humans with lust and sexual perversion. Kings accumulated harems filled with many wives. Solomon became the worst offender of them all; he had 700 wives and 300 concubines. **1 Kings 11:1-3**

King David created much grief and sorrow in his own life by having eight wives and ten concubines. **2 Samuel 15:14-16**

Abraham's wife, Sarah, was such a beautiful woman that she was taken twice around the age of 60 by two different kings who lusted after her. **Genesis 12:10-20; 20:1-13**

The Bible is full of stories of men lusting after women and causing damage and grief. Judah, one of the sons of Jacob, thought that his daughter-in-law, Tamar, was a prostitute and purchased sex from her. Samson, of the judges in Israel, was notorious for his sexual appetite.

Secular history is filled with kings, rulers, and rich men who used their power to confiscate young women and abuse them.

The combination of alcohol and sex destroys the lives of men and women.

As soon as people learned to do oil paintings, artist brought forth nude paintings of women. Sculptors carved naked creations out of marble. The printing press allowed the mass publication of pornography. Sexual lust has been around for a long time.

Pornography: printed or visual material containing the explicit description or display of sexual organs or activity, intended to stimulate erotic rather than aesthetic or emotional feelings.

When the camera was discovered, Lucifer and his minions took over the movie industry and now sexual perversion is rampant on movie screens. The word pornography came into usage and during the 20th century when color prints of naked men and women were depicted in magazines. Now pornography is piped in directly into homes through

the television and the internet. It is possible to watch just about anything that can be conceived because of mankind's depravity. Satan has opened the floodgates and the vulgarity has no limits.

Behind this smut are two fallen angels: Baal and Ishtar. These fallen angels rule the entertainment industry and there is not a vice that cannot be purchased. Satan has been able to convert every city in the world to Sodom and Gomorrah.

SIMPLE TEACHING OF JESUS

Jesus was about 30 years old when He taught the sermon on the mountain. The God-man was not a eunuch, but was a healthy male. Just like other boys, the incarnated Son of God had gone through puberty and developed into a man. Yet, he was not married. Dating did not exist at that time in Israel, which means that Jesus was a virgin. Since the Bible states that Jesus was tempted just like everybody else, it means that He must have seen attractive girls as a boy, he obviously had sisters, and there must have been women who looked at the handsome carpenter and wanted to marry Him. **Hebrews 4:15**

Some 2,000 years earlier, Jesus had given the ten commandments to Moses. The seventh commandment was about abstaining from adultery. **Exodus 20:14**

As the God-man, Jesus had full knowledge that sex was a weakness of the human race. He knew that sexual relations did not start in the bed, but in the mind of a man when he saw a woman and lusted after her. Thus, He enhanced the seventh commandment, stating it was not enough to refrain from extra-marital sexual activity, but a man was also not to look at woman and lust after her. By doing this, Jesus covered the future use of pornography. **Matthew 5:27-28**

Masturbation was common at the time of Jesus and He addressed it without mentioning it by name. **verses 29-30**

The apostle Paul went a step further and condemned fornication, which is sexual relations between an unmarried couple. **1 Corinthians 6:15-20**

Both Jesus and Paul addressed homosexuality. **Leviticus 18:22; Romans 1:18-32**

Jesus also addressed bestiality. **Leviticus 18:23-30**

A HUMAN TRAGEDY

This part of the outline was written the next day. During the night the Holy Spirit told me that I was not done with this message. He told me in strong terms that I was to survey the internet to see the full extent of commercial activity throughout the world. This is not an easy subject to teach upon given that I have children listening to my sermons.

During some 50 years of experience in casting out demons, I have come to the conclusion that any time a human being is sexually active outside of marriage, it opens them up to be possessed by evil spirits. **1 Corinthians 6:15-18**

The Bible says that a child conceived out of wedlock is a bastard and his offspring – to 10 generations – are cursed and infested with evil spirits. **Deuteronomy 23:2**

The same holds true for men and women who engage in homosexuality. Included are people who claim to be LGBTIQA, which is an evolving acronym that stands for lesbian, gay, bisexual, transgender, intersex, queer/questioning, asexual. They are all possessed by evil spirits.

LGBTIQA was normal in the cities of Sodom and Gomorrah. Sexual immorality practiced by the majority of the population. It got to the point that Jesus came to the earth to witness it firsthand. **Genesis 18:20-21:33**

The Son of God was disgusted by the evil and decided to eradicate the sinful population. He sent two angels to remove Lot and his family before the area was incinerated. **Genesis 19:13**

Lot and his family had barely left Sodom when fire and brimstone fell from heaven; Sodom and Gomorrah were reduced to rubble and their inhabitants were cremated. **verses 23-29**

*Evil spirits use adultery, fornication, and
homosexuality as a recruiting ground to possess
human beings.*

Lucifer has concentrated on seducing humans with their lustful appetite for sexual gratification. Outside of the bounds of marriage, this traps them and fills them with vile demons.

People were able to read and write with the increase of knowledge and advancements in technology allowed written pornography to be introduced to the human race.

SEX INDUSTRY STATISTICS

It said that “prostitution is the oldest profession” and there is a lot of truth to that statement.

A recent government sponsored study by the Urban Institute found that sexual prostitution of all kinds generated \$290 million dollars yearly in eight of the largest cities of the United States.

There were 36 million women and 8 million men who worked as prostitutes throughout the world in 2021. Of these, one million women were full time prostitutes in the U.S.

The world’s sex capital is Amsterdam in Holland, followed by Bangkok, Thailand, the State Nevada and a number of other resort areas in the world.

The sex accoutrement industry is huge, and in 2021, Americans spent \$34 billion for pleasure.

During the last 10 years or so, another industry has risen that builds adult size dolls that can talk and mimic a woman. Americans spend \$3 billion purchasing these objects of hedonism.

Pornographic videos worldwide generate \$97 billion per year.

Massage parlors are found in every city of the United States. Many of them offer additional unofficial services.

It is not uncommon for female prostitutes in the U.S. to be runaway children who are trapped in sex trafficking.

Until I conducted this research, I was ignorant of the sheer amount of money being generated by lust and sexual immorality. Undoubtedly, organized crime is part of the picture with this much money at stake.

THE DRIVING FORCE

Lucifer and his minions are the overall driving force behind the world sex industry. Baal is the major driving force, while Ishtar is more of an influencer, seducing people to sin.

Before any war can be won, you must know the enemy, only then can you can defeat them in the name of Jesus. Baal was soundly defeated by the prophet Elijah, who defeated 450 of Baal's prophets. **1 Kings 18:25-40**

Let's be like Elijah and call down fire from heaven to destroy the immoral and exploitative sex industry.

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
