FIERCE SPIRITUAL BATTLE

Joe Biden and the Democratic Party have been using the court system of the United States to destroy Donald Trump's attempt at the White House in 2024.

There is no doubt that the men and women of the Biden administration are demon possessed and doing their utmost to destroy our nation. Jesus said that we would know people by their fruits. **Matthew 7:15-16**

What is the fruit of Joe Biden and the Democrats? They push homosexuality, the murder of unborn children, transgenderism, and diversity like it's going out of style. They also promote woke prosecutors and open borders.

Looking at the fruit, it becomes clear that Satan is the power behind the Biden administration and the Democratic Party. What we are watching unfold before our eyes is a spiritual battle that has been going since Adam and Eve chose to sin.

SATANIC PRINCES

In the Book of Daniel, we discover the Devil placed fallen angels over each nation known as "princes" or "archons." Daniel started a twenty-one day fast to receive an answer from the Lord concerning the return of the Jews to Jerusalem.

We are informed that an angel was dispatched on the first day Daniel prayed to provide an answer. However, when the angel sought to travel to Persia, he was stopped in the air by the satanic archon over Persia. This fallen angel possessed a fighting force capable to stopping an angel of the Lord.

Unable to penetrate the satanic defenses, the angel communicated to Jesus that he was not strong enough to break through and Son of God dispatched Michael the archangel, who subsequently defeated the Persian archon and opened the way for the angel to reach Daniel on the ground. **Daniel 9:1-14**

Before the angel departed, he told Daniel it was necessary to fight the Persian archon again in order to reach the atmosphere. He also told Daniel that he was going to have a battle with the archon over Greece. **verses 20-21**

NOTHING HAS CHANGED

Jesus defeated Lucifer on the cross and took dominion over all of the Devil's underlings, but the Son of God did not remove the satanic forces from the earth and this is why they continue to resist God and try to sabotage the church. **Colossians 2:14-15; Ephesians 6:10-18**

Lucifer still has his archons over each nation and they command hordes of demons and evil spirits to oppose the church of Jesus, knock out Christians, and enslave nations. **2 Corinthians 10:3-6**

LAUNCH THE ANTICHRIST

Kabbalistic Jews have been working for two-thousand years to establish their messiah as a world leader. Their concept of a world federation was based on past empires like Babylon, Persia, Greece, and Rome who existed when mankind had not discovered electricity.

Some ninety years after the incarnation, Jesus revealed the future Antichrist would have technology that allowed total economic control so that no person could do business apart from the Beast system. **Revelation 13:16-18**

The Son of God also revealed there would be a global television network, allowing all nations to see events in real time. **Revelation 11:7-10**

The Jews started uprisings against the Romans in 167 B.C., A.D. 67 and A.D. 132 in an attempt to re-establish the kingdom of Israel. However, they were defeated each time as tens of thousands were killed and hundreds of thousands of civilians sold as slaves.

The Kabbalistic leadership eventually recognized they would never take over the world by military alone; what they needed was a way to control banking and commerce.

The Rothschild banking house gained financial control of all European nations by 1850 and today Kabbalistic Jews dominate the world's finances. The world government has fomented a number of wars, including two world wars, in an effort to prepare for a final takeover in the future. The establishment of the political state of Israel in 1948 was a huge step forward in their plan.

The Kabbalistic doctrine teaches that the world must be made evil in order for their serpent messiah to rise up from the bottomless abyss.

The United States is a big obstacle since it has a constitution like no other. America cannot be destroyed as an independent nation unless its people are willing to give up their constitutional sovereignty.

Joe Biden and the Democratic Party have been working diligently to open our borders and flood the nation with illegal immigrants.

TRUMP IS A THREAT

The Kabbalistic Jews have never been so close to dismantling the United States and merging it with a world federation. They have been working on this project for more than 3,000 years and are almost there. It was a shock when Trump was elected in 2016, and during his four years in the White House, everything was thrown at him. He faced two impeachments, Russia disinformation, and the mainstream media doing everything they could to smear and destroy him. A woman was encouraged to file a lawsuit, claiming that many years ago he had tried to rape her in a department store when she was trying on a dress. There was a porn star claiming that he had relations with her and paid her off to be quiet. The attacks never ended.

Trump stopped the dismantling of the nation, rebuilt the military, and America was getting strong again. There is no doubt in my mind that the 2020 presidential election was stolen and Satan is now mustering every force to ensure that Trump is not elected again.

FACTS

Without customers, there would be no drug dealers.

Without customers, there would be no prostitution.

Without customers there would be no pornography.

Without customers, there would be no bars.

Without customers, there would be no casinos.

All such businesses are customer driven, and if we understand that, the main battle is not with the vendors, but with the customers, which leads us into spiritual warfare.

SPIRITUAL WARFARE

The 2024 election of Donald Trump will not be won at the ballot boxes; instead, it has to be won in the spirit world. Lucifer is behind the Kabbalistic world government and he can only be defeated through prayer and fasting.

Each Christian needs to get out and vote in the November election, but that is only the first step. The most important step is setting aside time to pray each day against the Devil and his minions; asking God to roll them back, and for the Holy Spirit to descend upon America. Unbelievers need to be convicted of their sins and Christians need to repent of their soul-winning lethargy and not living a holy life.

The reality is that most Christians do not engage in daily prayer because they are too busy. Prayer has the lowest priority in their life. Is it any wonder that the Devil has been able to make such huge progress in the destruction of the United States?

Christians need to start praying like the early church when James was beheaded and Peter was scheduled to be executed next. These men and women recognized Peter was a dead man unless God intervened and this is why they held an all-night prayer meeting. **Acts 12:1-5**

PREDICTION BY PASTOR RICK WILES

Donald Trump will be sentenced on July 10, 2024. The Republican Convention is on July 15. The judge will undoubtedly show no mercy and place him in jail. Trump's appeal will be from prison. I doubt that the judge or this system will let Trump go free.

There will probably be some sort of battle over his secret service protection while in prison. I strongly suspect the Supreme Court can do nothing as it does not have the necessary time. It is a state matter, not a federal matter. It is possible the Supreme Court could intervene considering the circumstances, but there has to be some action for them to do so, and five days between the sentencing and the convention is not enough.

Also, consider that even if Donald Trump walks, he will be assigned a parole officer to monitor his every move. The judge can even order him not to leave the state. Trump would have to get permission from his parole officer to travel within the United States and abroad.

Will the Republicans put forward a candidate who is in prison and a felon? The vultures will be circling. Eugene Debs ran for president in 1920 from prison. We will see the media start to make its move soon.

The Republican Convention can select anybody. They do not have to abide by the primary outcome. It is up to the party delegates to put forth a candidate.

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
