PART 66: AS THE DAYS OF NOAH

DAYS OF NOAH

Jesus stated that when He returns a second time, the world will be in the same condition prior to Noah's flood. **Matthew 24:37-39**

Fallen angels copulated with human women before the flood to produce a hybrid race of angel/man for which there was no redemption. **Genesis 6:1-4**

The wickedness of mankind was so great that people wallowed in evil imaginations. **verse 5**

We are also informed the earth was corrupted. This refers to the animals and vegetation. **verses 11-13**

A MAN OF GOD

Enoch was the father of Methuselah and the great-grandfather of Noah. The Bible states that that he was a man of God and that he had a special relationship with the Lord. **Genesis 5:21-29; Hebrews 11:5**

Enoch recorded his story and it became known as the *Book of Enoch*. He detailed why angels fell from heaven, the creation of a hybrid race which necessitated Noah's flood to wipe out the evil and reset the earth, and was given amazing insights about the Messiah.

Noah preserved the creation story that eventually became the beginning of the first Book of Moses (Genesis). He also preserved the writings of Enoch, and when Abraham was called by God to leave his father and walk to the Promised Land, he possessed these two documents.

The *Book of Enoch* was read by Jews at the time of Jesus and these writings were used at the onset of the Christian church. I don't know why Enoch's writings were not made part of the Bible because he was quoted by Jesus and others in the Bible. **2 Peter 2:4-5; Jude 6, 14-15**

THE FALLEN ANGELS

What did Enoch know about the fallen angels? You can read the text for yourself online.¹ In the sixth chapter of his first book, Enoch shares the following details:

1. There was a group of 200 fallen angels under a leader named Semyaz. They saw the beauty of human women and decided to produce children through them.

My personal understanding is that this group of 200 angels worked with Jesus in the creation of human beings prior to Lucifer's rebellion and they were familiar with the

engineering of the human body. Using this knowledge, they made some kind of a physical body which enabled them to procreate with human women.

2. Semyaz did not trust the other fallen angels and made them swear an oath which bound them together before they started the project.

This type of oath with a curse is also the same kind practiced by Satanists, witches, Baal worshipers, Freemasons, Mormons, etc. This should not come as a surprise since the apostle Paul tells us that fallen angels seduce and teach doctrine. **1 Timothy 4:1**

3. They descended upon Mount Hermon in modern day Syria and used this mountain as their headquarters.

This begins to shed light upon the origin of Baal worship. Fallen angels enticed people into idol worship after Noah's flood and Mount Hermon became the focal point in the Middle East for pagan altars and human sacrifice.

Compare this with the mythical Greek gods on Mount Olympus led by Zeus, who was known for his enormous sexual appetite of women. In Rome, he was known as "Jupiter" and the Vikings called him "Thor."

The Aztec empire worshiped a cluster of demon gods. Humans were sacrificed at the top of tall pyramid temples and their throbbing hearts were offered to the sun.

The Olympic Games is a revival of the old Zeus worship. The fire is lit on Mount Olympus by female priests and carried by torch to the Olympic altar. There is song and dance at the opening and closing of the games in honor of the Greek gods.

Roman Emperor Theodosius abolished the game in A.D. 393 because of its ties to demon worship and they were reintroduced to the world in 1894.

4. The two-hundred fallen angels were divided into groups of ten and each group had a leader. Enoch provided the names of each of subleader.
5. Each of the fallen angels impregnated a woman. The resulting babies grew to a height of 300 cubits (450 ft.) and consumed so much food that they were hated by those who were forced to feed them. These giants in wrath began to kill and eat humans. They also ate birds, mammals, amphibians, reptiles, and fish and drank blood.
6. One of the fallen angels taught humanity how to mine for ore, melt it, and extract different metals. He also showed mankind how to fashion swords, knives, shields and breastplates.

Other fallen angels taught humanity incantations; cutting of roots for potions, astrology and how to deceive people.

7. The fallen angels not only educated people in technology to make war, but also in occult practices and releasing demonic power on the earth.
8. The fallen angels introduced the technology of writing with ink and papyrus and on clay tablets. This was used to write down false doctrine and preserve the incantations and ceremonies taught by them.

9. Women were shown how to murder a baby in the womb and extract the dead body.

It is devastating to learn that abortion is as old as the beginning of mankind. Is it any wonder the feminist movement is so militant? These women are driven by powerful satanic princes who have been killing babies for the last 6,000 years. Modern technology has only increased their lust for killing babies.

10. The fallen angels introduced flagellation to mankind. Today it is known as "Sodomasochism," where pleasure is derived from causing or receiving pain through bondage and being dominated.

THE MESSIAH

Enoch also provided wonderful insights about the Messiah. When reading through the four gospel accounts in the New Testament, Jesus is repeatedly referred to as the "Son of man." This title is also found in the Old Testament, but Enoch was the first one to use it.

"At that hour, that Son of man was given a name, in the presence of the Lord of the Spirits, the Before Time, even before the creation of the sun and the moon, before the creation of the stars, he was given a name in the presence of the Lord of Spirits. He will become the light of the gentiles and he will become the hope of those who are sick in their hearts. All those who dwell upon the earth shall fall and worship before him; they shall glorify, bless, and sing the name of the Lord of Spirits. For this purpose he became the Chosen One; he was concealed in the presence of the Lord of the Spirits prior to the creation of the world, and for eternity." 1 Enoch 48:1-5

Luke quoted part of that passage. **Luke 2:32**

The apostle John had the same understanding. **John 1:1-10**

Even the apostle Paul said much the same. **Philippians 2:5-11**

THE WORLD IN 2024

Molecular cloning, also known as DNA cloning, was developed during the years 1971-1973. I am quoting the following information from the National Library of Medicine:

"Embryo splitting is one of the newest developed methods in reproductive biotechnology. In this method, after splitting embryos in 2-, 4-, and even 8-cell stages, every single blastomere can be developed separately, but the embryos are genetically identical. Embryo splitting, as an approach in reproductive cloning, is extensively employed in reproductive medicine studies, such as investigating

human diseases, treating sterility, embryo donation, and gene therapy. In the present study, cloning in mammals and cloning approaches are briefly reviewed. In addition, embryo splitting and the methods commonly used in embryo splitting and recent achievements in this field, as well as the applications of embryo splitting into livestock species, primate animals, and humans, are outlined. Finally, a perspective of embryo splitting is provided as the conclusion.”³

For a number of years, corporations have worked to genetically change plants, animals, fish, and insects. Few give a lot of thought about eating seedless grapes, watermelon, and oranges. They don't have seeds because they are genetically modified.

A number of health-oriented people flock to stores that sell organic fruits and vegetables and the processed foods have labels that specify they are not made from genetically modified organisms (GMO).

Just like there was a technology transfer in the days of Noah, there was another transfer in 1947 when Satan allowed one of his spaceships to crash land near Roswell, New Mexico.⁴ In a relatively short amount of time, the Luciferian technology transfer accelerated mankind's knowledge to produce transistors, semiconductors, microchips, fiber optics, lasers, super tenacity fibers, etc., which resulted in the development of computing. This in turn led to the creation of the Internet and today the whole world is connected through the World Wide Web. The 1947 Luciferian transfer facilitated an evolutionary jump that saw humanity take gigantic leaps forward.

During the last 75 years, there have also been numerous UFO sightings, cattle mutilations, and tales of men and women being abducted by UFOs.

We are truly living in the time Jesus described as the days of Noah. **Matthew 24:37-39**

Remember, it's not so important how you begin your life after salvation, but how you finish it!
